2-21-23 (Davelle) Bill has 3 females, one mama and two of her

kittens which he approximates anywhere from 3-8 months old. He would like them to be spayed before they get pregnant. He is feeding them once a day at 1PM. He does not have transportation. Contact by phone or email.

2-26-23 (Lisa) Bill emailed me back and he is eager to get the cats fixed. He is close to Bonnie.

2-28-23 (Lisa) From Janet Strandberg " Hi Lisa, I believe you sent an email to Bill on February the 24th and included the caretakers agreement form. I have attached that form so if there is anything else that's needed please feel free to let me know. I greatly appreciate your assistance with this as well as the organization that you're with. I hope your having a great day and I'll be waiting to hear back from you."

Received the completed release form. Tentatively scheduled for TNR with Bonnie Wed March 22.

3-22-23 (Lisa) Bonnie caught all 3 cats. TNR complete
